

OMS PROOF OF CANDIDACY TO BE A MATCHING CANDIDATE FOR A FUTURE MARRIAGE-BLESSING

Dear BFD leader,

The Online Matching System (OMS) hosts applicants and candidates who seek to find a match with the help of their matching supporters, parents, and BFD leaders requires that each person who lives outside of the North American Region has an approval letter from their respective BFD leader in order to become a candidate (not simply and “applicant”) on the site.

Please use your own letterhead if at all possible.

On the letter please include the following information:

- Candidate’s full name
- Candidate’s email address
- Candidate country
- Name and email address of the BFD leader of the country that is responsible for this candidate.
- Name and email address of the BFD representative who will sign this letter.
- A statement (one paragraph is sufficient) stating that this person is fully qualified to be a candidate for the matching. The candidate has fulfilled all requirements of the BFD in their country to be considered a matching candidate at this time.

The document should be signed (not simply typed - **but actually signed**) by the responsible BFD representative and given to the candidate for upload. You may also email it to support@cheon-il-guk.org.

If you have any additional questions, please feel free to ask,

Sincerely,

Anne-Marie Mylar
President of Cheon Il Guk Incorporated
Administrator of the Online Matching System
