

Each candidate's needs will always be our first priority. OMS is designed to serve the candidate first, not their parents or Matching Advisor.

OMS will serve anyone seeking a permanent relationship with the marriage-blessing as a goal.

The marriage-blessing is not just for Unificationists. Anyone who agrees with the following four tenets is welcome to register on OMS and will be served to the best of our abilities. Faith is a very private matter and can be practiced in many ways—whether with rituals or no rituals at all. What is important is the commitment we make to ourselves, to each other, and to humanity.

The four tenets

- We desire to participate in the Marriage Blessing Ceremony, renewing our commitment as an ETERNAL husband and wife. We understand and support the ideal of the Blessing to achieve world peace through true families.
- We will establish a family tradition of which God can be proud, respecting the standards and traditions established by the True Parents. We pledge to practice the principle of purity until marriage and absolute fidelity in marriage, and to raise our children to inherit these values, passing them on to future generations.

August 2016 Newsletter

- We will love all people and families of the world as God does, beyond race, religion or nationality, realizing the one great family of humankind that our Heavenly Parent desires.
- We recognize that the Blessing is a ceremony of spiritual dedication and not a legal marriage and that to be legally married we should comply with the marriage laws in the country in which we reside.

In order to complete OMS Vision, we need the support of the candidates themselves by having them register, and the support of their parents and Advisors by having them make the effort necessary to communicate with OMS to understand what truly OMS is and why it is good. If that happens, we believe the financial support will follow.

I have wanted to modify the program to give support to Treasure of Heaven I would provide something that Parents would truly be able to use to connect with families throughout the world and be able to blessed their children (who cannot do it on their own) with families that they feel truly connected with. I can make it happen, I just need the funds to do so.

This is my dream for OMS
Sincerely,
Anne-Marie
