

OMS in relationship with the Matching Process and approval of individuals who seek to search for their heavenly spouse.

Since October 1, 2010 it has been required that all Applicants registered on OMS have a complete matching and blessing application from the Blessing Department of their country. For North America, the application is done online, and a certificate is given upon completion. For other regions of the world, a letter from the BFD of their country is required in order for the Applicant to become a Candidate.

This system allows for the BFDs around the world to trust OMS as a viable tool in the search for potential spouses.

Here are your choices when you register on OMS:

1. 1st GEN Unificationist
2. 1st GEN Unificationist who came with their parents as a child (JC)
3. Unificationist: Next Generations (BC)
4. Affiliate member of the Unification Movement (WFWP, UPF, others)
5. American Clergy Leadership (ALC, ALC)
6. Special Needs

Individuals who consider themselves Unificationist (# 1,2, and 3) and register as such have several requirements that are needed from their own Blessing Department in order to be switch from Applicant to Candidate. Some of these requirements are listed below.

- Level II blessing education
- Verification of health
- Blessing Interview
- Proof of divorce
- Proof of prior blessing dissolution

Individuals who register themselves as ACLC or Affiliates (#4 and 5), do NOT have this kind of requirements. A simple letter from an approved Unificationist Pastor or ACLC Pastor will suffice. These individuals must show sincere desire to receive the Marriage-Blessing from the True Parents and have a clear understanding of what that means, including the 5 steps required to become a Blessed Couple.

Special Needs are handled case by case basis.

It is your responsibility as someone who is searching for a spouse to pay attention to these requirements.
