Take the plunge...

Do not fear the 21-Day Introduction Phase.

The 21-Day Introduction Phase is not the Engagement Ceremony. It is simply the time to say, "Hello" in person. Someone asking to see your Full Profile means that this person is interested in you and found your Limited Profile attractive enough to go beyond the Anonymous Phase.

This person has the courage to ask you for a date. Unless you find their own Limited Profile truly not to your liking –

Take the Plunge!

Say "YES"

Release your Full Profile and start talking.

- You may become friends or not,
- You may discover a very marvelous person, or not.
- Give it a chance!

Falling in love at first sight is rare.

Falling in love over time is common.

At some point, you are going to need to speak with someone.

You will not find your ideal spouse simply:

- by looking at a picture
- or by reading a Limited Profile

You will find your ideal spouse by knowing that person. You can only know someone by having sincere give-and- take with the individual for a certain period of time.
