A powerful presentation...

February 10th, I attended MatchNet Connect. Over 120 individuals were there. Parents, Candidates, and a few Matching Supporters. I was there as a Matching Supporter.

The main presentation was about the Matching Process and it was given by Benjy Uyama. Have you ever listened to Benjy broadcast on YouTube? Worth it, I guarantee!

So, his presentation starts with him saying, "Personally, I don't like talking about the Matching Process!" Whoa, that got my antennas way up.

Regardless of where you are now in your life, single or parenting a single towards a potential future Marriage-Blessing you will gain plenty by listening to this recording.

Even the greatest of Matching Sites will not help you find your Heavenly Spouse if you are unprepared for it.

Please share this presentation to all.

With gratitude, always,
Anne-Marie
